

Grand Spaces at the University SE4903

Tuesday, October 9, 10–11:30 a.m.

Visit University of Pittsburgh spaces that retain the grandeur from an earlier era. Tour the magnificent Alumni Hall to see how the award-winning renovation of the former Masonic Temple retained much of its original splendor. Visit Bruce Hall, a residence hall that was once the Schenley Apartments and the residence of well-to-do Pittsburghers, to view the University Suite, the sole remaining luxury apartment. Also on our tour will be the William Pitt Union and the Crogan-Schenley Ballroom in the Cathedral of Learning.

Federal Reserve Bank Tour SE4942

Friday, October 12, 9–11:30 a.m.

717 Grant Street, Downtown Pittsburgh

The officer in charge of the Pittsburgh Federal Reserve Bank will provide a brief overview on the purposes and functions of the Federal Reserve System and will explain the activities of the Pittsburgh office, the only processing site for savings bonds in the country. The tour will include the cash and savings bonds vault, the print and mail operation, and the department that processes bonds after they have been redeemed.

Nationality Rooms Tour SE4906

Saturday, October 27, 10 a.m.–noon

Perhaps you've had classes in some of the Nationality Rooms, or maybe you've stopped in and looked around some of them while you were in the Cathedral of Learning. This is your chance to hear the story of how and why they came about and to visit them with a docent, Gail Eiben, one of our OLLI members.

Brown Bag Lunch Series

Noon–12:45 p.m. (weekly; days vary)

Get to know your fellow OLLI members by attending the summer Brown Bag Lunch Series. Each session will feature an OLLI member presenting a lecture, discussion, or demonstration. A schedule of dates, presenters, and topics will be available during Session 1 of the fall term. No reservations are required.

Undergraduate Courses Available for Auditing

“Audit” means you earn no credit and generally do not participate in homework and exams. This enjoyable, low-pressure environment provides the added benefit of interaction with younger college students. Select from hundreds of courses in more than 30 academic departments.

Full members of OLLI are entitled to audit **two** undergraduate courses each term. Additional undergraduate courses may be audited in the same term for a fee of \$25 each.

An Associate Membership option is available for those who wish only to audit courses. Associate members pay \$45 for each course audit and are not eligible for other Osher courses or University benefits.

Course Audit Procedures and Policies

Registration

Registration as an OLLI auditor **does not guarantee a space in the course**. If you arrive at the course and all seats are filled, you may need to drop the course and select an alternate. For this reason, and because space is limited, please list an alternate course on your registration form.

Add/Drop and Refunds

You can change or drop courses and register for additional courses during the add/drop period. If you decide to drop your course selection during this period and you paid a fee for your course, the fee will be refunded.

Auditing Courses Not Listed in This Catalog

If the course you have selected is not listed in this catalog but is listed in the University's schedule of classes, you may request special permission from the instructor to audit the course. Complete the special permission section on the registration

form, or attach an e-mail from the instructor granting permission to audit the course.

You may view the fall term classes online at www.pitt.edu/~registrar. (Note: This is a large file.)

Classes from the following departments are not available for auditing:

- Computer Science
- Film Studies
- Physical Education

Class Cancellations and Changes

The courses and curricula described in this catalog are subject to change at any time by the official action of the University of Pittsburgh. OLLI is not responsible for notifying you if a class has been canceled or changes have been made in class meeting times, days, and location. **Before your class begins, we urge you to contact the academic department directly to verify location, dates, and times of your course(s)**. See page 13 for academic department phone listings.

Class Participation

As an OLLI auditor, you are a guest in the class. The extent of your participation in class is at the discretion of the individual instructor. Therefore, seek permission from your instructor if you wish to verbally participate, do the written assignments, or take quizzes/exams. Some instructors will expect you to participate the same as the traditional students.

Dates and Deadlines

The Osher auditing program follows the University academic calendar. See page 2 for important dates and deadlines.

Academic Department Listings

Before your first class, please check with the department for changes in room, day and time, and cancellation of classes. Provided here is a directory of departments, addresses, and phone numbers for your convenience.
