

CGS-Approved Study Abroad Courses

Review the study abroad courses that CGS students have had approved to count towards their CGS majors, minors, or certificates. This list is updated as new study abroad approvals are processed.

If the course(s) and program(s) you are looking for are not included in our list of pre-approved courses, please [follow the CGS study abroad course approval process listed on the CGS Study Abroad webpage](#).

Course offerings vary per semester. Please consult the study abroad program's website for most up-to-date information on what courses will be offered during your desired term of studies. If you have specific questions, please make sure to contact Pitt's Study Abroad Office.
