PSY 1000-level Approved Elective									
Choose 1 of the following courses. If you are seeking to apply to the University									

Starting Spring 2022, students must a have a 3.0 overall GPA to be admitted into the Natural Science Pre-Physician Assistant track.

**Important!** If you earn less than a "C" in any course, please contact your advisor!

At least 120 credits and a minimum 2.0 GPA are required to graduate with a BS in Natural Science. Of this total, at least 24 credits must be in upper-division (1000-level) courses. These 1000-level courses may come from any of the degree requirments.

An internship is not required but is highly recommended.
