details.

Standard (Multidisciplinary) Track Planning Chart

Choose a minimum of 36 (approximately 12 courses) from any three departments below. All courses taken must be related to natural sciences and selected in consultation with your CGS advisor. At least five courses must be taken from one department, which provides a disciplinary base. The other courses should be selected based on your professional and academic goals :

Natural Science Departments

Astronomy			Anthropology *	Geology & Environmental Science*			
Neuroscience			Physics	Psychology*			
Biological Sciences			Chemistry	History& Philosophy of Science*			
Statistics (0200 or 1000; courses numbered above 1000)			Mathematics (only courses numbered 0220 & above)	Computer Science (only courses numbered 0401 & above)
